KARTING HISTORY

MAD Racing (Mom and Dad) started summer of 2015, racing out of CKRC/ ECK Moncton, NB; Ben started as a Cadet, and Chris in Junior. Over two seasons we had perfect attendance plus running at the sister club AMKA track in Halifax, NS.

Progressing in their skills, we participated in the Canadian Nationals at Bowmanville, Ont. in 2018.

Joined CKRC in 2019, although Covid kept us apart 2020, we keep up on club activities, and back in the karts 2021. Ben ran every scheduled event, and I ran my first race in August.

MAD Racing supports both Overdrive and Magic box for parts, and coaching, as we feel it is important to balance our team throughout the track. We continue to set goals around skill, speed and tuning, with our focus of building relationships with other members, strengthening our family bond and having fun.
