

CKRC Paddock parking rates 2024

Trailer parking is paid once for the racing season and then again (if desired) for the off season. Should you choose to store your trailer(s) for the off season, you must book the same amount of space that you had for the racing season. (so if for example, you book a 20x40 for the summer and you want to book **any** space for the winter, it must also be 20x40. etc.

The racing season is *approximately* April 15 to Oct 15 of each year.

Parking is charged at \$45 for a 10' x 10' square. This includes the MSR fee and GST.

Pit size examples are below.
