- Briggs & Stratton Junior
- Junior Rotax

- Briggs & Stratton Senior
- Rotax Senior

Tires & Weights: As listed in the **2026 CKRC Supplemental Regulations**.

Scoring & Awards

- Only the **winning team** in each class will receive a trophy.
- **Overall results** will be based on combined laps from both races.
- **Tiebreakers:**
 1. First across the finish line
 2. If still tied, fastest lap
- The event requires a **minimum of 20 total karts** to proceed.

Kart & Driver Regulations

- Karts must meet CKRC class weight regulations. Karts will be weighed after every race with the driver that finished the race.
- Standard class rules apply.
- Silver Brigg's engines are permitted.
- Outlaw" Enduro builds are **not permitted** – this is intended as a fun, competitive event for all members.
- Assistance Between Classes- Rotax drivers are strictly prohibited from pushing, impeding, or otherwise assisting Briggs & Stratton drivers in advancing their race positions. Any driver found in violation of this rule will be shown the black flag and disqualified for the day, along with the Briggs driver who received the assistance.
- Cadets 1 driver.
- Junior Rotax and Briggs drivers 1 driver.
- The senior class can have as many drivers as they like.

- Junior \$95
 - Senior \$110
 - Senior teammate/additional senior drivers, \$50
 - Non-Member race pass \$100
-

Race Start – Le Mans Procedure

- **Cadet:** A parent will complete the Le Mans run and pull-start the engine.
 - **All Other Classes:** Drivers will run across, sit fully in the kart, and then the mechanic may start the engine.
 - **Safety Note:** Karts must not be started until the driver is seated. A 1 lap penalty will be applied to anyone who starts their kart before their driver is seated.
 - **Lineup:**
 - Karts – north side of the front straight.
 - Rotax karts will grid ahead of Briggs karts.
 - Drivers/Runners – north side of the infield hairpin exit.
-

Grid Positions

- Based on **registration order**.
 - Rotax will be gridded ahead of Briggs.
 - First to register = pole position in their class.
 - Entries after **Thursday, 10:00 PM** will start from the rear.
-

Pit, Fueling & Tires Rules

- Pit lane is located along the fence at the track entrance in front of the timing tower.
- Each pit space must have a **current 5 lb fire extinguisher**.
- Any maintenance or mechanical work can be done in your hot pit during the race.
- You cannot work on your kart on the off ramp. All karts must be pulled into your hot pit before you can refuel or work on them.
- The kart engine must be off and driver out of the kart before refueling.
- Chain Oilers are allowed in the senior class.
- Only **standard fuel jugs** (VP or standard jerry cans) are permitted – no quick-fill systems.
- With official permission, one mechanic may bring a kart stand onto the grass area beside the track to assist with the recovery of a disabled kart. Broken-down karts and kart stands must not be pushed back onto the asphalt surface. A volunteer will also go with the mechanic with a yellow flag and watch for potential problems
- Communication via Pit board is allowed. No electronic communication.
- Tires, you must run your CKRC class spec tire. There are no quantity limits on tires.
- **Pit speed limit:** 15 km/h (jogging pace).
- Pit speed and stop/go monitored by a volunteer at the pre grid shack. Pre grid gates closed during race
- Hot Pits are open for all classes during their race.

Safety & Recovery

- Recovery requires 1 mechanic with a kart stand and 1 teammate. There will also be a volunteer with a yellow flag.
- If a driver cannot lift their kart, a third helper may assist.
- Ser class: If **3 or more karts are disabled**, a **red flag** will be shown. All karts must stop at Start/Finish for recovery.

Penalties

- **Pit Lane:** Speeding or unsafe fueling = time penalty.
 - **On-Track Conduct:** Aggressive contact, unsafe driving, or poor sportsmanship = stop-and-go, drive-through, or time penalty.
 - The Green flag with a Black X with your kart number will be displayed to indicate a stop and go.
 - **Under Yellow:** Unsafe driving = penalty. 1 lap.
 - **Pit Area:** Unsafe actions (fueling, equipment use, or conduct) = penalties 1 lap..
