

Kid Kart 2018

What is Kid Kart?

Kid Kart is a safe, non-competitive introduction to karting for 5 - 11 year old kids. Instruction is provided; the program teaches kids how to navigate the track safely, the racing line is introduced, and kart control is emphasized.

- 3 Monday evenings per month (May – September) weather permitting.
- Karts on track from 5:00PM – 6:00PM.
- 15 minute track sessions (Kid Kart / Formula Kid Kart Alternate)
- BBQ supper break / discussion / track setup.
- Corner drills, braking, coaching 6:15 – dusk.
- Try-A-Kid Kart Introductory Sessions – 1 - 2 Wednesday evenings per month (May – August) weather permitting
 - \$105 per night includes 1-on-1 instruction, GX35 Kid Kart and all Safety Gear
 - Run by Kid Kart parents
 - Opportunities for Kid Kart / Formula Kid Kart practice sessions for members.
- Race weekends, Kid Karters have access to the track during the lunch break.

What's new for 2018?

- Mandatory Neck Protection
- Kids up to 11 can take part in Formula Kid Kart as an alternative to racing.
- Parent involvement at Kid Kart Try-A-Kart is mandatory – there will be a schedule.
 - Each parent must volunteer to run one rental night.
 - Each parent must volunteer to assist at one rental night.
 - Running / Assisting on a rental night takes priority over getting your kid into his kart.
- The last night of the year will be run as a Time Attack.

2 Classes of Kid Karters:

Kid Kart

- Any child 5 – 7 year old can take part in this tried and true run group.
- Kid Kart chassis with a Honda GX35 or GX35 clone 4 stroke engine.
- Gearing, tires, brakes are open.

Formula Kid Kart

- Open to any child 6 years old with at least 1 year of kid kart experience.
- Open to any child 7 – 11 years old with demonstrated ability.
- Cadet (Junior 1 Chassis) with a Briggs LO206 engine with a purple slide in the carb or equivalently tuned Honda.
- Gearing, weight, brakes are open. Tires are open (VEGA Blues are NOT permitted).
- Kids 8 – 11 are eligible to Race in JR1 and take part in Formula Kid Kart.
