

Strathmore Motorsports Park

Facility Information & Site Rules

RMC Western Finals

Welcome to Strathmore Motorsports Park. We are pleased to host you for the RMC Western Finals and want to ensure all competitors, crews, families, and spectators have a safe and enjoyable event experience.

Please review the following facility information and site rules before arriving. These guidelines are in place to ensure safety, protect the facility, and allow everyone to enjoy the event weekend.

General Expectations

All competitors, crew members, families, and guests are expected to respect the facility, event staff, volunteers, fellow competitors, and surrounding properties.

Please follow all instructions provided by CKRC officials, race officials, event staff, and emergency personnel.

Parents and guardians are responsible for supervising children at all times.

Please ensure that roadways, fire lanes, and emergency access routes remain clear throughout the event.

Speed Limit & Vehicle Safety

The speed limit on **Range Road 250** is **30 km/h**.

Please drive cautiously at all times and be aware of pedestrians, children, event vehicles, and equipment.

Quiet Hours

Quiet hours are in effect from **10:00 p.m. to 7:00 a.m.**

During these hours, please be considerate of other competitors and nearby residents. Loud music, excessive noise, unnecessary engine revving, and disruptive behaviour are not permitted.

Generators must be turned off between **11:00 p.m. and 7:00 a.m.**

Smoking, Vaping, Cannabis & Alcohol

Smoking, vaping, and cannabis use are strictly prohibited anywhere on CKRC property. There are no exceptions.

Alcohol consumption is not permitted while the track is live and racing activities are taking place. Any person who is deemed unsafe, impaired, or creating a safety concern will be removed from the facility.

Bicycles, Scooters, Drones Etc.

For safety reasons, bicycles, scooters, rollerblades, skateboards, e-scooters, e-bikes, drones, and remote-control vehicles are not permitted on CKRC property during the event.

Pets

Pets are permitted but must remain on a leash and under control at all times.

Owners are responsible for cleaning up after their pets. Pets may not enter restricted operational areas and should not be left unattended.

Aggressive or disruptive animals may be asked to leave the facility.

Pit Spaces

Competitors are responsible for keeping their pit area clean, organized, and free of hazards. All waste must be placed in appropriate containers. All attendees must ensure their spaces are clear of waste, debris or other material upon departure.

There are no power, water, or sewer hookups available at the facility.

Please ensure cords, hoses, tools, equipment, and other items are positioned safely to prevent trip hazards. Access roads, walkways, and emergency routes must remain clear at all times.

Please respect neighbouring competitors and their equipment and space.

Garbage, Waste & Disposal

Garbage disposal bins will be provided at the facility. These bins are for **regular, non-hazardous garbage only**.

A designated tire disposal area will be available for used kart tires.

Oil, fuel containers, coolant, chemicals, and hazardous waste must be removed from the facility and disposed of properly. Please do not dump fuel, oil, coolant, chemicals, or any other liquids on the property.

Please leave your pit space clean and free of waste, debris, and personal belongings upon departure.

Fuel & Fire Safety

Fuel must be stored and handled safely using approved, certified fuel containers.

Any fuel, oil, or chemical spills must be cleaned up immediately.

A minimum **5 lb fire extinguisher is required in each pit area**. Additional extinguishers may be required depending on your setup.

No open fires are permitted on CKRC property.

Water & Washroom Facilities

Water is trucked into the facility. Please conserve water whenever possible.

Please help keep washroom facilities clean and report any issues to event staff.

Track Closure

The track will close following the completion of the final scheduled track activity each day.

No unauthorized kart or vehicle operation is permitted once the track has been closed.

Event Information & Assistance

Event Support

During event hours, if you require assistance or have any questions, please proceed to the **Administration Building**.

Our team will be available to assist with general event questions, facility information, directions, and any concerns that may arise during the event. If further assistance is required, administration will direct you to the appropriate event official.

After-Hours Security

Security will be onsite overnight from **11:00 p.m. to 7:00 a.m.** and will be stationed at the **main gate entrance**.

For any after-hours concerns or assistance, please contact security.
